

Dviced Leather magsafe cardholder with stand

1. Product Description

Thank you for choosing the **Dviced Leather Magsafe Cardholder with Stand**. This user manual will guide you through the proper use and maintenance of your cardholder to ensure it remains functional and stylish for as long as possible.

2. Product Overview

- **Compatibility:** Magsafe-compatible iPhones
- **Material:** Premium leather
- **Color:** Black
- **Features:**
 - **Cardholder:** Securely holds multiple cards (credit cards, IDs, etc.)
 - **Stand:** Foldable design doubles as a phone stand for hands-free use.
- **Magsafe:** Magnetic attachment for quick and easy connection to your iPhone.

3. Installation Instructions

1. **Attaching to iPhone:**
 - Align the magnetic side of the cardholder with the back of your Magsafe-compatible iPhone.
 - The built-in magnets will securely attach the cardholder to the phone.
2. **Inserting Cards:**
 - Slide your cards into the cardholder slot. The leather is designed to stretch slightly to accommodate multiple cards securely.
3. **Using the Stand:**
 - Fold the back of the cardholder to convert it into a stand.

- Adjust the fold to your desired angle for comfortable viewing, whether you're watching videos, browsing the web, or making video calls.

4. Using Magsafe

- **Attachment:** The Magsafe-compatible cardholder will securely stick to the back of your iPhone using its built-in magnets. Simply align it with the Magsafe area on your iPhone.
- **Detachment:** To remove, gently pull the cardholder off the back of your iPhone.

5. Cleaning and Maintenance

- **Cleaning:** Use a soft, damp cloth to gently wipe the leather. Avoid using harsh chemicals or water to clean the cardholder.
- **Leather Care:** To maintain the leather's quality, consider using a leather conditioner occasionally. Keep the cardholder away from excessive moisture and direct sunlight.
- **Storage:** When not in use, store the cardholder in a cool, dry place.

6. Frequently Asked Questions

- **How many cards can the cardholder hold?**
 - The cardholder is designed to hold up to 3 cards comfortably.
- **Is the cardholder safe for wireless charging?**
 - The cardholder must be removed for wireless charging to ensure optimal charging efficiency.
- **Does the stand function work with all phone models?**
 - The stand function works best with Magsafe-compatible iPhones. The magnetic attachment ensures it remains stable while in stand mode.

7. Warranty Information

The **Dviced Leather Magsafe Cardholder** is backed by a warranty. If you encounter any issues with your product, please contact our customer service team for assistance.

This user manual will help you make the most out of your **Dviced Leather Magsafe Cardholder with Stand** ensuring proper care and optimal performance.
